

Declaration and Petition
Attorney Docket No. T8341.NP

DECLARATION AND PETITION

As a below named inventor, I hereby declare: that my residence, post office address, and citizenship are as stated below next to my name; that I verily believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled "**TRANSDERMAL ADMINISTRATION OF HUPERZINE**", the specification of which is attached hereto and given United States Patent Application Serial No. 09/705,286, (Thorpe, North & Western, L.L.P. is authorized to enter serial number when known) was part of our invention and was invented before the filing date of the original application; that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above; and that I acknowledge the duty to disclose information which is material to patentability as defined in §1.56(a) of Title 37 of the Code of Federal Regulations.

I hereby claim the benefit under §120 of Title 35 of the United States Code of the earlier filed patent application filed in the United States Patent and Trademark Office as U.S. Patent Application No.60/163, 636 filed on November 4, 1999, and insofar as the subject matter of each of the claims of these applications is not disclosed in the earlier filed pending applications in the manner provided by the first paragraph of §112 of Title 35 of the United States Code, we acknowledge the duty to disclose material information, as defined in §1.56(a) of Title 37 of the Code of Federal Regulations, which occurred between the filing date of the earlier filed applications and the filing date of this application.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements
